CEW+ Scholarship STEM Eligible Fields

Chemistry
Chemistry
Chemical Measurement and Imaging
Interdisciplinary Chemical Sciences
Polymer Chemistry

Computer and Information Science (CIS)
Applied Data Science
Computer and Information Science
Computer Science
Data Science
Health Informatics
Informatics
Integrative Systems & Design
Robotics
Scientific Computing

Engineering
Aerospace Engineering
Bioengineering
Biomedical Engineering
Chemical Engineering
Civil Engineering
Computer Engineering
Electrical Engineering
Energy Systems
Engineering Education Research
Engineering Physics
Environmental Engineering
Industrial Engineering & Operations Research
Macromolecular Sciences & Engineering

Engineering (Cont.)
Materials Science
Mechanical Engineering
Naval Architecture and Marine Engineering
Nuclear Engineering and Radiological Sciences
Space Science and Engineering

Geosciences
Climate and Meteorology
Environmental Geology
Geology
Oceanography
Paleontology

Life Sciences
Biochemistry
Biology
Biology, Health and Society
Biophysics
Biopsychology, Cognition and Neurosciences
Cell Biology
Ecology & Evolutionary Biology
Earth and Environmental Science
Ecology, Evolution and Biodiversity
Environmental Health Sciences
Epidemiology
Microbiology
Molecular Biology
Neuroscience
Pharmaceutical Science
Plant Biology
Structural Biology
Mathematical Sciences
Applied Mathematics
Applied Statistics
Biostatistics
Computational Mathematics
Mathematics
Mathematics of Finance and Risk Management
Statistics

Physics and Astronomy
Applied Physics
Astronomy and Astrophysics
Biological Physics Track
Interdisciplinary Physics
Physics

If you are in a field that is closely related to this list, it may have been accidentally omitted. Please contact cew-scholarships@umich.edu to verify that it qualifies.
