CEW+ Irma M. Wyman Student Grant Program

THE

CEW+ Irma M. Wyman grant program provides financial support to recognized student organizations planning programs, activities, and training to assist in removing obstacles for women contemplating or pursuing careers in engineering, computer science, or the hard sciences. The Irma M. Wyman grant program is aligned with CEW+’s DEI plan and overarching mission of empowering women and underserved individuals in the University of Michigan and surrounding communities by serving as an advocate and providing resources to help them reach their potential. The Irma M. Wyman grant program is open to all registered student organizations working towards this mission.

ELIGIBILITY:

- Be a registered student organization with the Center for Campus Involvement in the current academic year (at time of application)
- Have an active University Fund Account through the Student Organization Account Service (SOAS) in good standing
- Submit a completed online application no later than 45 days prior to the date of your event (the earlier the better!)

CRITERIA/REQUIREMENTS FOR FUNDING:

- The application must clearly articulate its connection to advancing CEW+’s mission
- The application must demonstrate a strong educational component that is aimed at engaging the broader community about a particular subject
- The event, activity, or training must be open to the entire University community with an emphasis on providing programming for participants or an audience comprised of currently enrolled U-M students
- All proposals must include an event, activity, or training that will be free and open to the University community. While we understand that fees may be a way to help prevent no-shows, we follow the guidance of Michigan Student Life on this topic. We join Student Life in encouraging student org leaders to take proactive steps such as sending reminder emails, as well as creating a link to directly add the event/program to the guests’ calendars to mitigate no-shows.
- Proposals must include a complete budget documenting other event collaborators and funding sources.
- Promotional materials (e.g., press releases, flyers, announcements and event programs, etc.) listing CEW+ as a co-sponsor must be reviewed by CEW+ prior to circulation and distribution.
- All publicity for events must have the co-sponsorship of the CEW+ Irma M. Wyman Fund listed and include the CEW+ logo.
- An electronic copy of all promotional materials and the final program created for the event must be submitted to CEW+ along with a final budget within 30 days after the event.
